

Hosting of the Festival on 7th Street includes the closing of the street, particularly 4th and 3rd Avenue. The pavement side will not be affected as pedestrians will still be able to move freely and business will still be able to trade as normal.

We write this letter to kindly request from you, as a business that operates within the area primarily affected by the planned Festival, an opportunity to meet with you to discuss any concerns you may have regarding the planned festival and secondly to request your consent for the Festival to go ahead should the arrangements for the planned Festival be satisfactory to you.

For clarity, this is what is envisaged:

- Road closure of the above-mentioned streets on the 10th September 2016 from 00h00 to 21h00
- Set-up (fencing, stage, sound) of the festival on the 10th September 2016 from 00h00.
- Sound check by bands on 10th September 2015 from 10h00
- Selimathunzi Consultants and Security Services, a certified security company will be onsite to secure the areas of the festival from set-up to breakdown.
- The Festival is scheduled for 12h00-21h00 on the 10th September 2016 and break down starts immediately after the event.
- SAPS, JMPD and Selimathunzi Consultants and Security Services will be onsite prior, during and post the festival to manage traffic and crowd control respectively
- Road Closure Notice Posters will be erected in advance to advise motorist, pedestrians and the public in general of the road closures prior

We thank you in advance and look forward to your favourable consideration of the above request.
